

Parade Rain

Hedley

You can't tell me what i'm never gonna be
You can't hold me down if I wanna be free
Who said you're allowed to rain on my parade
You can't tell me not to fly cause' I gotta
Every time they put you down, you get up stronger
Don't bring around the clouds to rain on my parade

The stars could fall out of the sky but I keep standin'

I can't be stopped, no we won't be shaken
Hearts like a drum, beating not breaking
We're never gonna stop
And if it keeps raining
We'll march until the sun comes out
And say so long parade rain

Anywhere you live there's negativity
It's what you give; the negatives will never live with me
Come and hear me shine so loud, right through the clouds

The stars could fall out of the sky but I keep standin'

I can't be stopped, no we won't be shaken
Hearts like a drum, beating not breaking
We're never gonna stop
And if it keeps raining
We'll march until the sun comes out
And say so long parade rain

Aint no way we're puttin' out this fire
Every jab, cut, burn, we burn brighter
Ever heard somebody shine so loud
And stand up so proud
Right through these clouds

Aint no way we're puttin' out this fire
Every jab, cut, burn, we burn brighter
Ever heard somebody shine so loud

I can't be stopped, no we won't be shaken
Hearts like a drum, beating not breaking
We're never gonna stop
And if it keeps raining
We'll march until the sun comes out
And say so long parade rain.
