

# Top of the World

Hedley

Top of the world  
I'm on top of the world (2x)

Heart beat, can't speak, words walk away from me  
You are my thoughts  
You are my prayers

First touch, head rush, trust with the weight to crush  
You are my breath  
You are my air

Oh whoa, oh whoa, oh whoa, oh whoa

You take me to the bottom of the ocean  
You take me to the depths of your beautiful eyes  
I'm on top of the world, flying, flying

(Oh whoa) Top of the world, I'm on top of the world (2x)

A shake, hurricane, mountains crumble, you remain  
You are my rock  
You are my feet

Shooting star next to me, diamond shine, ecstasy  
You are my fortune  
You are my fame

You take me to the bottom of the ocean  
You take me to the depths of your beautiful eyes  
I'm on top of the world, flying, flying (oh!)

(Oh whoa) Top of the world, I'm on top of the world (3x)

Heart beat, can't speak, words walk away from me  
You are my thoughts  
You are my prayers

Oh whoa, oh whoa  
So take me away

Take me to the bottom of the ocean  
You take me to the depths of your beautiful eyes (so take me away)  
I'm on top of the world, flying, flying (oh!)

(Oh whoa) Top of the world, I'm on top of the world (3x)
