

Art Of Moving On

Heffron Drive

I don't remember what we might have said
And I didn't bother to write it down any how
Now all of the memories spun like a web
And I can't get out, get out, get out.

I gave everything I got not to lose you,
We chose to say goodbye but I choose you
I choose you.

I keep building walls but you're always on my mind
Won't let them fall down I'm tired can we give up
the art of moving on, on, on.

It keeps me up all night, all night, oooohhh [x2]

Feels like I'm stuck here frozen in time
If it wasn't real then I wonder what really is
And if there's a world where you could be mine
Well that's where I'd live, I'd live, I'd live-

Gave everything not to lose you, not to lose you.

I keep building walls but you're always on my mind
Won't let them fall down I'm tired can we give up
the art of moving on, on, on.

It keeps me up all night, all night, oooohh [x2]

Gave everything I got not to lose you... not to lose you
We chose to say goodbye but I choose you... I choose you

I keep building walls but you're always on my mind
Won't let them fall down I'm tired can we give up
the art of moving on, on, on.

It keeps me up all night, all night, oohhh [x4]
