

Love Defined

Heffron Drive

Clouds that fill my mind
Spill and tumble,
Intertwined with flashes of your fire eyes
That heat the core of my insides

Shaking in my hand
Intensifies with every passing glance
That I get sent from you,
It stings me like a new tattoo

Tell me, tell me, I'm not crazy
Cause my vision's blurry
Eyes are hazy
Is this real or not?
Take a shot

Help me, help me, I need saving
Cause I'm drowning, drowning
No escaping your rising tide
Love defined, love defined

Beating in my chest
Sweeps me off my feet and now I'm wrecked
Cause I need you around to show me
I'm on solid ground, ground

Tell me, tell me I'm not crazy
Cause my vision's blurry
Eyes are hazy
Is this real or not?
Take a shot

Help me, help me, I need saving
Cause I'm drowning, drowning
No escaping your rising tide
Love defined, love defined

Loved defined, love defined

Tell me, tell me I'm not crazy
Cause my vision's blurry
Eyes are hazy
Is this real or not?
Take a shot

Help me, help me, I need saving
Cause I'm drowning, drowning
No escaping your rising tide
Love defined, love defined
