

Don't Know Where To Go

Heideroosjes

Shut up! Shut up, I know what I want
Fuck you, suit and tie guy
My life, the way I live it

No God, can stop my vision
This earth, means nothing to me
My way, I do it my way

[Chorus]

But I don't know where to go (4x)

Tell me, why you hate me
Don't tell, I know the reason
Feelings, don't know what that means

Freedom, I laugh about that
Friendship, yeah keep on dreaming
My girl, that's where I die for

This is my life, just leave me alone
This is my life, it's not your life
This is my life, just let me do my things
This is my life, I know what's best for me
