

# Don't Know Where To Go

Heideroosjes

Shut up! Shut up, I know what I want  
Fuck you, suit and tie guy  
My life, the way I live it

No God, can stop my vision  
This earth, means nothing to me  
My way, I do it my way

[Chorus]

But I don't know where to go (4x)

Tell me, why you hate me  
Don't tell, I know the reason  
Feelings, don't know what that means

Freedom, I laugh about that  
Friendship, yeah keep on dreaming  
My girl, that's where I die for

This is my life, just leave me alone  
This is my life, it's not your life  
This is my life, just let me do my things  
This is my life, I know what's best for me
