## Don't Know Where To Go

## Heideroosjes

Shut up! Shut up, I know what I want Fuck you, suit and tie guy
My life, the way I live it

No God, can stop my vision
This earth, means nothing to me
My way, I do it my way

[Chorus]

But I don't know where to go (4x)

Tell me, why you hate me Don't tell, I know the reason Feelings, don't know what that means

Freedom, I laugh about that Friendship, yeah keep on dreaming My girl, that's where I die for

This is my life, just leave me alone
This is my life, it's not your life
This is my life, just let me do my things
This is my life, I know what's best for me
