

I'm Not Deaf (i'm Just Ignoring You!)

Heideroosjes

You're always yelling on my head
Screaming things that I know yet
Don't do this and don't eat that
Don't you fart and don't grow fat
Stay off drugs, never have faith
Have safe sex or masturbate

[Chorus]

I'm not deaf...I'm just ignoring you!
I'm not deaf...I'm just ignoring you!
I'm not deaf...I'm just ignoring you!
I'm not deaf...I'm just ignoring you!

I have a life and it's all mine
Don't you dare to touch it when I feel fine
And if you don't like the way I live
I'm sorry but I won't change just to give
To give you the feeling it's under control
Cause being myself means being free at all

[Chorus]

Would you please shut up so I can tell you this
Keep your mouth shut cause it stinks like fish
Just leave me the f**k alone
Please, shut up my head's turning into stone
And always when you tell me what I have to do
Remember I'm not deaf, I'm just ignoring you

[Chorus]
