

# I'm Not Deaf (i'm Just Ignoring You!)

Heideroosjes

You're always yelling on my head  
Screaming things that I know yet  
Don't do this and don't eat that  
Don't you fart and don't grow fat  
Stay off drugs, never have faith  
Have safe sex or masturbate

[Chorus]

I'm not deaf...I'm just ignoring you!  
I'm not deaf...I'm just ignoring you!  
I'm not deaf...I'm just ignoring you!  
I'm not deaf...I'm just ignoring you!

I have a life and it's all mine  
Don't you dare to touch it when I feel fine  
And if you don't like the way I live  
I'm sorry but I won't change just to give  
To give you the feeling it's under control  
Cause being myself means being free at all

[Chorus]

Would you please shut up so I can tell you this  
Keep your mouth shut cause it stinks like fish  
Just leave me the f\*\*k alone  
Please, shut up my head's turning into stone  
And always when you tell me what I have to do  
Remember I'm not deaf, I'm just ignoring you

[Chorus]
