I'm Not Deaf (i'm Just Ignoring You!)

Heideroosjes

You're always yelling on my head Screaming things that I know yet Don't do this and don't eat that Don't you fart and don't grow fat Stay off drugs, never have faith Have safe sex or masturbate

[Chorus] I'm not deaf...I'm just ignoring you! I'm not deaf...I'm just ignoring you! I'm not deaf...I'm just ignoring you! I'm not deaf...I'm just ignoring you!

I have a life and it's all mine Don't you dare to touch it when I feel fine And if you don't like the way I live I'm sorry but I won't change just to give To give you the feeling it's under control Cause being myself means being free at all

[Chorus]

Would you please shut up so I can tell you this Keep your mouth shut cause it stinks like fish Just leave me the f**k alone Please, shut up my head's turning into stone And always when you tell me what I have to do Remember I'm not deaf, I'm just ignoring you

[Chorus]
