

Rockstar Heaven

Heideroosjes

Kurt, Jim, Keith and Jimmy
They were twenty seven
I wanna play with them in Gods' Rockstar heaven

I blow myself away, I blow
myself away
Just blow my head away

If I'm famous and twenty seven
Then I'll blow myself to heaven
At the minute my life ends
I get real Rockstar-friends

Let's play a real cool song
Made by Jim and Kurt
Let's print the whole band
On a T-dye-shirt

Cool idols die young!
