

# Heartbeat

Heidi Montag

I'm gonna make you dance  
I'm gonna make you sweat

I pull up at the door  
And my bentley is pink  
Got my assistant with me  
Just to go buy me more drinks  
Rosey crystal, and Dom Perignon what do you think

I got my own conscious to know that  
To look at the boy  
Don't touch me  
No, no, no, no don't touch me

I came here to enjoy myself  
Enjoy myself to the music, I'm gon' lose it

The music and my heart beat  
I did it for him  
I did it for him  
I did it for him  
I did it for him  
I did it for him  
I did it for him

Can you feel my heart beat  
Baby feel my heart beat  
Listen to my heart beat  
Look at ya intoxicate ya  
Uh its human nature  
Uh its human nature  
Cuz when the music plays  
You'll know hwta you mean to me

I'm gonna make you dance  
I'm gonna make you sweat  
I'm gonna make you dance  
I'm gonna make you sweat

Full of love so sweet  
He's taking me to the sky  
My adradlines rushin  
I'm on a natural high  
I can hear my bass bumping  
Gonna make your drums thumbin  
The musics sayin' something

Don't touch me

No, no, no, no don't touch me  
I came here to enjoy myself  
Enjoy myself to the music, I'm gon' lose it

The music and my heart beat  
I did it for him  
I did it for him  
Can you feel my heart beat

Baby feel my heart beat  
Listen to my heart beat  
Look at ya intoxicate ya  
Uh its human nature  
Uh its human nature  
Cuz when the music plays  
You'll know hwta you mean to me

I'm gonna make you dance  
I'm gonna make you sweat  
I'm gonna make you dance  
I'm gonna make you sweat
