

Stray Rats

Heights

Stray rats, stay young, never stop.
Stray rats, stay young, never stop.
Stray rats, stay young, never stop.
Stray rats, stay young, never stop.

Wasting minds, wasting time,
Wasting youth, wasting lives.

Wasting effort, wasting today,
Wasting patience, wasting away.

Black eyes, can't sleep.
White lies, can't keep.
Green eyes, I can't stand to see.

Stray rats, stay young, never stop.
Stray rats, stay young, never stop.
Stray rats, stay young, never stop.
Stray rats, stay young, never stop.

Stray rats never look back.
Stray rats never look back.
Stray rats never look back.

Stray rats, stay young, never stop.
Stray rats never look back.
Stray rats, stay young, never stop.
Stray rats never look back.
