

Dark Home

Heimdall

Show me what lies beyond the stars
Where the moon is black and the night has no end
Show me the path no mortal has seen
Give me the key - Take me home

I feel you
I still hear your dreams and your screams
I whisper your name in the wind
Can you hear me?
Can you see me?
I'm coming to you
I'm ready - reveal me the Word of the King

I'm roaming through the shadows
I'm a prisoner between the light and dark
Like a damned phantom
Please take me away

Take me to the land without end
Through the black and infinite deserts
Take me through the shadows of the abyss
Through the door - the holy tomb - to the dark home

Endless valleys
Seas of fire
Dim blood red skies
The air is still tonight
Shadowy rivers
Dismal forests
I feel the door is near
So tell me what lies beyond

Show me what lies beyond the stars
Where the moon is black and the night has no end
Show me the path no mortal has seen
Give me the key - Take me home
