

# Running From The Thunder

Heir Apparent

I hear it in the distance  
I can feel it in the wind  
Somehow, some way  
Will it return again?

I see a change taking over  
A taste of things to come  
Somehow, some way  
Am I the only one?

- Running from the thunder  
- Reaching for the sun

I've heard it in the distance  
I've felt it in the wind  
Sometime, some day  
Will it return again?

I've seen the changes around me  
The threat of things to come  
Sometime, some day  
Am I the only one?

- Running from the thunder  
- Reaching for the sun -Lookout!

Running from the thunder  
Reaching for the sun...
