

Aquarius Miracle

Helen Reddy

You're a good dancer
So light on your feet
And a romancer
That talks awful sweet

Aquarius miracle
Makes Scorpio lyrical
Don't think me satirical
'Cause that's what I feel

You're such a good rider
With such a good seat
As a provider
You sure can't be beat

Aquarius miracle
Makes Scorpio lyrical
Don't think me satirical
'Cause that's what I feel

Our cosmic consciousness
Was raised by the power
It was fortuitous we met at this hour
And if our horoscopes will only allow it

We go together
We make a good team
Now and forever
We share the same dream

Aquarius miracle
Makes Scorpio lyrical
Don't think me satirical
'Cause that's what I feel
