

# Crazy Love

Helen Reddy

I can hear his heart beat for a thousand miles  
And the heavens open every time he smiles  
And when I come to him, that's where I belong  
Yes, I run unto him like a river's song

He gives me love, love, love, love, crazy love  
He gives me love, love, love, love, crazy love

He's got a fine sense of humor when I'm feeling low down  
And when I come to him when the sun goes down  
Takes away my trouble, takes away my grief  
Takes away my heartache, I go right to sleep

He gives me love, love, love, love, crazy love  
He gives me love, love, love, love, crazy love

Yes, I need him in the daytime  
Yes, I need him in the night  
Yes, I want to throw my arms around him  
Kiss him, hug him, kiss him, hug him tight

And when I'm returning from so far away  
He gives me some sweet lovin', brightens up my day  
Yes, it makes me righteous, yes, it makes me whole  
Yes, it makes me mellow down to my soul

He gives me love, love, love, love, crazy love  
He gives me love, love, love, love, crazy love  
He gives me love, love, love, love, crazy love  
He gives me love, love, love, love, crazy love  
He gives me love, love, love, love, crazy love  
(Love, love, love, crazy love)
