

# Peaceful

Helen Reddy

In the morning fun when no one will be drinking any more wine  
I'll wake the sun up by givin' him a fresh air full of the wind  
cup

And I won't be found in the shadows hiding sorrow  
And I can wait for fate to bring around to me any part of my to  
morrow, tomorrow

'cause it's oh, so peaceful here  
There's no one bending over my shoulder  
Nobody breathing in my ear  
Oh, so peaceful here

In the evening shadows are callin' me and the dew settles in my  
mind  
And I think of friends in the yesterday when my plans were gigg  
led in rhyme  
I had a son while on the run and his love brought a tear to my  
eye  
And maybe some day he'll up and say "We had a pretty nice time"  
, oh, oh, oh, my

'cause it's oh, so peaceful here  
There's no one bending over my shoulder  
Nobody breathing in my ear  
Oh, so peaceful here
