Somewhere In The Night

Helen Reddy

Time...You've found time enough to Love, I've found Love enough to hold you, Tonight... I'll stir the fire you feel inside, until the flames of Love enfold you. Laying beside you, lost in the feelingso glad you opened my door

Come with me, Somewhere in the Night we will know, everything lovers can know You're my Song... Music too magic to end, I'll play you over and over again... Loving so warm, Moving so right Closing our eyes and feeling the light We'll just go on burning bright, Somewhere in the Night

You'll sleep, when the morning comes and I lie and watch you sleeping and you'll smile when you dream about the night like it's a secret you've been keeping

Laying beside you , lost in the feeling so glad you opened my door Come with me Somewhere in the night we will know everything lovers can know You're my Song Music too magic to end, I'll play you over and over again...

Loving so warm, moving so right Closing our eyes and feeling the light We'll just go on burning bright

Somewhere in the Night

Loving so warm, moving so right Closing our eyes and feeling the light We'll just go on burning bright

Somewhere in the Night
