

# Just Walk Away

Helena Paparizou

I know I never loved this way before  
And no one else has loved me more  
With you I've laughed and cried  
I have lived and died  
What I wouldn't do just to be with you

I know I must forget you and go on  
I can't hold back my tears too long  
Though life won't be the same  
I've got to take the blame  
And find the strenght I need to let you go

Just walk away  
Just say goodbye  
Don't turn around now you may see me cry  
I mustn't fall apart  
Or show my broken heart  
Or the love I feel for you

So walk away  
And close the door  
And let my life be as it was before  
And I'll never never know  
Just how I let you go  
But there's nothing left to say  
Just walk away

There'll never be a moment I'll regret  
I've loved you since the day we met  
For all the love you gave  
And all the love we made  
I know I've got to find the strenght to say

Just walk away  
Just say goodbye  
Don't turn around now you may see me cry  
I mustn't fall apart  
Or show my broken heart  
Or the love I feel for you

So walk away  
And close the door  
And let my life be as it was before  
And I'll never never know  
Just how I let you go  
But there's nothing left to say  
Just walk away
