

## Always Something There To Remind Me

Helena Vondráčková

I walk along the city streets  
You used to walk along with me  
And every step I take recalls  
How much in love we used to be  
Oh how can I forget you

When there is  
Always something there to remind me  
Always something there to remind me  
I was born to love you  
And I will never be free  
You'll always be a part of me

When shadows fall I pass a small  
Cafe where we would dance at night  
And I can't help recalling how it felt  
To kiss and hold you tight  
Oh how can I forget you

When there is  
Always something there to remind me  
Always something there to remind me  
I was born to love  
And I will never be free  
You'll always be a part of me

If you should find you miss the sweetest  
Tender love we used to share  
Just come back to the places  
Where we used to go and I'll be there  
Oh how can I forget you

When there is  
always something there to remind me  
Always something there to remind me  
I was born to love you  
And I will never be free

When there is  
When there is  
When there is  
always something there to remind me  
Always something there to remind me...
