Can You Feel The Love Tonight

Helena Vondráčková

There's a calm surrender To the rush of day, When the heat of the rolling world Can be turned away

An enchanted moment, And it sees me through It's enough for this restless warrior Just to bee with you

And can you feel the love tonight? /Tonight/ It is where we are It's enough for this wide-eyed wanderer That we got this far

And can you feel the love tonight /Tonight/ How it's laid to rest? It's enough to make kings and vagabonds Believe the very best

There's a time for everyone, If they only learn That the twisting kaleidoscope Moves us all in turn

There's a rhyme and reason To the wild outdoors When the heart of this star-crossed voyager Beats in time with yours

And can you feel the love tonight? /Tonight/ It is where we are It's enough for this wide-eyed wanderer That we got this far

And can you feel the love tonight /Tonight/ How it's laid to rest? It's enough to make kings and vagabonds Believe the very best

It's enough to make kings and vagabonds Believe the very best
