Self-control

Helena Vondráčková

On the night is my world
City lights painted girls
In the day nothing matters
It´s the night time that flatters

In the night no control
Through the wall something breaking
Wearing white as you´re walking
Down the street of my soul

Chorus :
You take myself you take my self-control
You got me living only for the night
Before the morning comes the story´s told
You take myself you take my self-control

Another night another day goes by
I never stop myself to wonder why
You help me to forget to play my role
You take myself you take my self-control

I, I live among the creatures of the night
I haven´t got the will to try and fight
Against a new tomorrow
So I guess I´ll just believe it
That tomorrow never knows

I say a night, I´m living in a moment of a dream
I know the night is not as it would seem
I must believe in something
So I make myself believe it
That tomorrow never knows

Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh
Oh oh oh

On the night is my world
City lights painted girls
In the day nothing matters
It´s the night time that flatters

I, I live among the creatures of the night
I haven´t got the will to try and fight
Against a new tomorrow
So I guess I´ll just believe it
That tomorrow never knows

I say a night, I´m living in a moment of a dream
I know the night is not as it would seem
I must believe in something
So I make myself believe it
That tomorrow never knows
