## **Take My Breath Away**

## Helena Vondráčková

Watching every motion In my foolish lover's game On this endless ocean Finally lovers know no shame Tuning and returnin To some secret place inside Watching in slow motion As you turn around and say

Take my breath away Take my breath away

Watching I keep waiting Still anticipating love Never hesitating To become the fated ones Turning and returning To some secret place inside Watching in slow motion As you turn around and say My love

Take my breath away

Through the hourglass I saw you In time you sliped away When the mirror crashed I called you And turned to hear you say If only for today I am unafraid

Take my breath away Take my breath away

Watching every motion In this foolish lover's game Haunted by the notion Somewhere there's a love in flame Turning and returning To some secret place inside Watching in slow motion As you turn my way and say My love

Take my breath away My love Take my breath away Take my breath away My love Take my breath away Take my breath away
