

## Theme From Love Story

Helena Vondráčková

Where do I begin  
To tell the story  
Of how great a love can be  
The sweet love story  
That is older than the sea  
The simple truth  
About the love  
He brings to me  
Where do I start

With his first hello  
Hee gave a meaning  
To this empty world of mine  
There'd never be  
Another love  
Another time  
He came in to my life  
And made the living fine

He fills my heart  
He fills my heart  
With very special things  
With angel songs  
With wild imaginings  
He fills my soul  
With so much love  
That anywhere I go  
I'm never lovely  
With his along  
Who could be lonely?  
I reach for his hand  
It's always there

How long does it last  
Can love be measured  
By the hours in a day  
I have no answers now  
But this much I can say  
I know I'll need him  
Till the stars all burn away  
And he'll be there

How long does it last  
Can love be measured  
By the hours in a day  
I have no answers now  
But this much I can say  
I know I'll need him  
Till the stars all burn away  
And he'll be there
