

Ready to Roll

Helena Zeťová

There's party on tonight.
So you better hurry up.
It's a VIP invite, everybody's at the club.
Wanna dance until the dawn,
Wanna get into the groove.
C'mon Dj play my song
Get me in a funky mood.

In the flow, looking good, catching eyes,
Now I'm in control.
Checking out all the guys,
Bodies moving close.
I can feel what's inside,
Ready to explode,
Wanna go for a ride,
So let's get started.

All my girls get down to business,
On the floor we're causing mischief.
All night long we're ready to go,
All dressed up we're READY TO ROLL.
All the boys they really want us,
Outta our way no one can stop us.
All night long we're ready to go,
All dressed up we're READY TO ROLL.

Baby, show me what you got,
Cause you're doin' it for me.
And I'm really getting hot,
Booty bumpin' to this beat.
Would to like to get with me
Cause I wanna get with you
In a privat party.
Hang on tight, 'cause I'm with my girls tonight.
