Until You Beg Me To Leave

Helena Zeťová

It's wild It's wild It's wild What you make me feel (when you touch me) It's wild What you make me do (when you please me) It's wild What you make me want (when you kiss me) It's wild What you make me say (anything) You make me wanna Make me wanna Make me wanna shout It's wild 'Cause you've been around (unique) You make me wanna Make me wanna Make me wanna live for more Hey, I said goodbye and he said 'Come on, let me show you my bed' Hey, I said 'OK, Let's make out, day is over now' An' I stay, an' I stay, an' I stay, an' I stay, an' I stay Until you beg me to leave It's wild How you make me down (up and down) It's wild How you make me cry (like a river) It's wild How you make me scream (for more) It's wild How you make me wild You make me wanna Make me wanna Make me wanna shout It's wild 'Cause you've been around (unique) You make me wanna Make me wanna Make me wanna live for more Hey, I said goodbye and he said 'Come on, let me show you my bed' Hey, I said 'OK, Let's make out, day is over now' An' I stay, an' I stay, an' I stay, an' I stay, an' I stay Until you beg me to leave You make me wanna Make me wanna

Hey, I said goodbye and he said
'Come on, let me show you my bed'
Hey, I said 'OK, Let's make out, day is over now'

Hey, I said goodbye and he said
'Come on, let me show you my bed'
Hey, I said 'OK, Let's make out, day is over now'

An' I stay, an' I stay, an' I stay, an' I stay, an' I stay Until you beg me to leave
