

# Up To Me

Helena Zeťová

Some people wanna make a difference  
But some take life just as it goes  
You gotta make your own decisions  
Opinions...yeah, we all got one of those.

I got no shame,  
And I won't change  
The way that I'm livin'.  
My head is high  
Because I try,  
Mistakes are forgiven.  
So please don't judge  
Or hold a grudge.  
It's none of your business.  
I live up to Chat I believe  
So I'm living UP TO ME.

Some people are headed for the fire,  
Some always envy what they lack.  
My standards are a whole lot higher:  
I desire to be right where I'm at.

I got no shame,  
And I won't change  
The way that I'm livin'.  
My head is high  
Because I try,  
Mistakes are forgiven.  
So please don't judge  
Or hold a grudge.  
It's none of your business.  
I live up to Chat I believe  
So I'm living UP TO ME.

Up to me  
Every day, no better way,  
I'm livin' up to me.  
Nobody else, just myself,  
Livin' Up to me.  
Gotta believe in what I believe  
And everything that I can be.  
I just keep on livin' up to me.

I got no shame,  
And I won't change  
The way that I'm livin'.  
My head is high  
Because I try,  
Mistakes are forgiven.  
So please don't judge  
Or hold a grudge.  
It's none of your business.  
I live up to Chat I believe  
So I'm living UP TO ME.
