

My Heart Belongs To You

Helene Fischer

C'mon don't stop blessing His name tonight
Say, You are my God, there is none other
You stand alone as Lord of all
Giver of life, peace and prosperity
Lord, You are Lord of all, oh yes You are
Everybody help me sing
You are my God, there is none other
Just stand alone as Lord of all
Giver of life, peace and prosperity
Oh Lord, You are Lord of all
My life belongs to You
My life belongs to You
My life belongs to You
Everybody sing
My life belongs to You
My life belongs to You
My life belongs to You
So, I will praise You with all of my heart
I will praise You with all of my strength
I will praise You with all of my life
You, you are Lord
Say it again, I will praise You with all of my heart
I will praise You with all of my strength
I will praise You with all of my life
'Cause You are Lord
My life belongs to You
My life belongs to You
My life, my life, my life
My life, my life, my life
My life belongs to You
Say, my life belongs to You
My life belongs to You
My life belongs to You
And I will praise You with all of my heart
Yes, I will praise You with all of my strength
(God bless Your Holiness)
I will praise You with all of my life
Because You are Lord
My life belongs to You
My life belongs to You
So glad my life belongs
Only, only, only to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
My life belongs to You
And I will praise You with all of my heart
We bless Your lip and we proclaim
I will praise You with all of my strength
I'll give you all that I am, everything I am
I will praise You with all of my life
Everybody say that You are Lord

We declare it tonight that You are Lord
Will you decree it tonight, You are Lord
Yeah, yeah, yeah, yeah, yeah, You are Lord
Put those hands together and bless His name
