

Sweet Surrender

Helene Fischer

Now I wondered where I was going to Direction in the darkness until I saw you
Everytime I look and I see your light I can't give up 'cause you're my life

Sweet surrender, now it's all that I can I feel Sweet surrender,
this time I know it's real And like in a wonder my heart was born again
I'm not afraid to give you everything Cause that's what sweet surrender means

Gone are all my doubts, gone is yesterday I no longer want to turn and walk away
Sometimes I was lost I didn't see the signs But now I'm found because you're mine

Sweet surrender now it's all that I can I feel Sweet surrender,
this time I know it's real And like a wonder my heart was born again
I'm not afraid to give you everything Cause that's what sweet surrender means

I almost feel ashamed, my heart, my everything My weaknesses are there to see
But I don't care at all, I'll show you how I fall Cause I know that it has to be

Sweet surrender now it's all that I can I feel Sweet surrender,
this time I know it's real And like a wonder my heart was born again
I 'm not afraid to give you everything Cause that's what sweet surrender means
