

# Maniac

## Hellhammer

Midnight - Satan claims my soul  
Feels right - Mayhem is my goal  
Twelve times - Tolls the deadly bell  
Moonrise - Messenger of hell

I'm a maniac, fight for hell  
Devil's on my back, obey him well

Axeblade - Messenger of death  
Dark shade - Cuttin' of Your breath  
Night time - I'm raisin' my axe  
Mean crime - Hell open it's gates

Possessed - By the demon's rule  
Insist - Cleavin' victim's skulls  
Torture - I don't kill in vain  
Mortals - they will die in pain
