

Here (In Your Arms)

Hellogoodbye

I like, where we are
When we drive, in your car
I like, where we are, here

Cause our lips, can touch
And our cheeks, can brush
Our lips can touch
Here

Well you are the one, the one that lies close to me
Whispers Hello, I miss you quite terribly
I fell in love, in love with you suddenly
Now there's no place else I could be, but here in your arms

I like, where you sleep
When you sleep, next to me
I like where you sleep
Here

Our lips, can touch
And our cheeks, can brush
cause our lips can touch
Here

Well you are the one, the one that lies close to me
Whispers Hello, I miss you quite terribly
I fell in love, in love with you suddenly
Now there's no place else I could be, but here in your arms

Our lips, can touch
Our lips, can touch
Here

Well you are the one the one that lies close to me
Whispers Hello, I miss you quite terribly
I fell in love, in love with you suddenly
Now there's no place else I could be but here in your arms

You are the one the one that lies close to me
Whispers hello I miss you, quite terribly
I fell in love, in love with you suddenly
Now there's no place else I could be but here in your arms

Here in your arms
But here in your arms
