

## Here (In Your Arms)

Hellogoodbye

I like, where we are  
When we drive, in your car  
I like, where we are, here

Cause our lips, can touch  
And our cheeks, can brush  
Our lips can touch  
Here

Well you are the one, the one that lies close to me  
Whispers Hello, I miss you quite terribly  
I fell in love, in love with you suddenly  
Now there's no place else I could be, but here in your arms

I like, where you sleep  
When you sleep, next to me  
I like where you sleep  
Here

Our lips, can touch  
And our cheeks, can brush  
cause our lips can touch  
Here

Well you are the one, the one that lies close to me  
Whispers Hello, I miss you quite terribly  
I fell in love, in love with you suddenly  
Now there's no place else I could be, but here in your arms

Our lips, can touch  
Our lips, can touch  
Here

Well you are the one the one that lies close to me  
Whispers Hello, I miss you quite terribly  
I fell in love, in love with you suddenly  
Now there's no place else I could be but here in your arms

You are the one the one that lies close to me  
Whispers hello I miss you, quite terribly  
I fell in love, in love with you suddenly  
Now there's no place else I could be but here in your arms

Here in your arms  
But here in your arms
