Here (In Your Arms)

Hellogoodbye

I like, where we are When we drive, in your car I like, where we are, here

Cause our lips, can touch And our cheeks, can brush Our lips can touch Here

Well you are the one, the one that lies close to me
Whispers Hello, I miss you quite terribly
I fell in love, in love with you suddenly
Now there's no place else I could be, but here in your arms

I like, where you sleep When you sleep, next to me I like where you sleep Here

Our lips, can touch And our cheeks, can brush cause our lips can touch Here

Well you are the one, the one that lies close to me Whispers Hello, I miss you quite terribly I fell in love, in love with you suddenly Now there's no place else I could be, but here in your arms

Our lips, can touch Our lips, can touch Here

Well you are the one the one that lies close to me
Whispers Hello, I miss you quite terribly
I fell in love, in love with you suddenly
Now there's no place else I could be but here in your arms

You are the one the one that lies close to me
Whispers hello I miss you, quite terribly
I fell in love, in love with you suddenly
Now there's no place else I could be but here in your arms

Here in your arms
But here in your arms
