

# Just Don't Let Go Just Don't

Hellogoodbye

If you wanna know  
I've always tried to take it slow  
Never let you go  
I'm always chasing after your rope

Afraid you didn't know I would be  
At the end of it  
And I won't let you go  
At the end of it  
So just don't let go

At the end of it  
You didn't know I would be  
At the end of it  
So just don't let go, just don't

If you wanna go  
I would take you there, I hope you know  
Is it getting cold?  
If you're staying in I wouldn't dare go  
Out anymore

If you trace the thread  
You will find a knot inside my head  
Barely moves an inch  
Guess it's not a very present issue  
Please, just don't let go

At the end of it  
You didn't know I would be  
At the end of it  
So just don't let go, just don't  
So just don't let go, just don't

If you wanna go  
I would take you there, I hope you know  
Never let you go  
So just don't let go

At the end of it  
You didn't know I would be  
At the end of it  
So just don't let go, just don't  
So just don't let go  
So just don't let go

And I won't let you go...
