

## Would It Kill You?

Hellogoodbye

Would it kill you just to let it all work out?  
Tryin' so hard just to break it down  
All summer I didn't see it till just now, till now

Spent that summer feelin' sorry  
Like I thought I'd never get  
To September so I loved her  
And intend to wait for it

Oh, things were shaping up to take a while  
All that waiting, not a single smile  
Oh, and it's so hard

To spend all winter  
Wantin' summer like you couldn't bear the cold  
Six months later  
To form it like it instantly got old

Oh, things were playing out just like I thought  
No sense staying, bent over what's not  
Oh, is it so hard?

Would it kill you just to let it all work out?  
Tryin' so hard just to break it down  
All summer I didn't see it till just now, till now

When they kill you  
You were letting every worthwhile breath  
Just pass right through you  
With each one you drew nearer to death

I've got so much on my plate  
Sometimes I try not to let it drag me down, I know  
Oh, everybody told me so

Would it kill you just to let it all work out?  
Tryin' so hard just to break it down  
All summer I didn't see it till just now, till now

Would it kill you just to let it all work out?  
'Cause you're tryin' so hard just to break it down  
All summer I didn't see it till just now, oh, now
