

# Don't Stop Being Crazy

Halloween

You're the one I would pick out in a million  
You're the one I would wish for as the friend of my life (life) (life)  
If the whole world decided for a colour  
Would pixels be any different in you (you) (you)

Brave and smart against the rules  
You smile upon the fools  
I'll follow where you go  
I want you to know

Don't stop being crazy  
Wherever you go  
Don't stop being crazy  
It's a lie  
It's a lie  
It's a lie we could not learn to fly  
Oh no  
Don't stop being crazy

When you walk you walk higher than the others  
When you talk you talk merciless the bothering truth (truth) (truth)  
Everyone seems remote-controlled nowadays  
Only you have a frequency far beyond their ways (ways) (ways)

Still that strong you walk alone  
Don't wonder where they're gone  
I'll follow where you go  
I want you to know

Don't stop being crazy  
Wherever you go  
Don't stop being crazy  
It's a lie  
It's a lie  
It's a lie we could not learn to fly  
Oh no  
Don't stop being crazy (crazy)

Still that strong you walk alone  
Don't wonder where they're gone  
I'll follow where you go  
I want you to know

Don't stop being crazy  
Wherever you go  
Don't stop being crazy  
It's a lie  
It's a lie  
It's a lie we could not learn to fly  
Oh no  
Don't stop being crazy
