

Find My Freedom

Halloween

Why you come tonight to take my live?
I know one day it's time to go
Why don't you give me one more chance?
I know that I can try to die another time
Don't wait for me, I'm gonna stay
Because there's much more to get clear

You are always on time
Patiently you wait for me
But you know I'm always too late
Try another day

I don't know where to go
When the time has come for me
Is it heaven or hell?
Well you'll tell me again
Tell I know what to do
In the endless shades of space
Is it heaven or hell?
You will tell me again
To find my freedom

Hey, come on
Go date an other mate
I bade you once ago to go
But now you're back too soon again
You said that I could pay
When all my fear would stay away
Instead my life is high and dry
I'm still afraid to die

You are always on time
Patiently you wait for me
But you know I'm always too late
Come another day

I don't know where to go
When the time has come for me
Is it heaven or hell?
Well you'll tell me again
Tell I know what to do
In the endless shades of space
Is it heaven or hell?
You will tell me again
To find my freedom
Everlasting freedom
