

Forever and One

Helloween

What can I do?
Will I be getting through?
Now that I must try to leave it all behind
Did you see what you have done to me?
Too hard to justify
Slowly its passing by

Forever and one - I will miss you
However I kiss you yet again
Way down in neverland
So hard I was trying
Tomorrow Ill still be crying
How could you hide your lies, your lies

Here I am seeing you once again
My minds so far away
My brain so close to stay
Too proud to fight
Im walking back into light
Will I ever find someone to believe?
