Future World

Helloween

If you're out there all alone
And you don't know where to go to
Come and take a trip with me to Fu-ture World

And if you're running through your life
And you don't know what the sense is
Come and look how it could be, in Fu-ture World

We all live in happiness our life is full of joy We say the word "tomorrow" without fear The feeling of togetherness is always at our side We love our life and we know we will stay

R: Cause we all live in Future World A world that's full of love Our future live will be glorious Come with me Future World

You say you'd like to stay, But this is not your time Go back, find your own way to Fu-ture World

Life can be for living
Just try and never give in
Tell everyone the way of Fu-ture World

We all live in happiness our life is full of joy We say the word "tomorrow" without fear The feeling of togetherness is always at our side You'll say you love your life and you'll know why
