

# I Don't Wanna Cry No More

Helloween

Hey, brother  
I miss you so  
You knocked on heaven's door  
And we won't see you anymore  
It must be crazy  
What we're living for  
'cause god's stopped keeping you  
On the ladder of your life  
I call your name with tears in my eyes

I don't wanna cry no more  
Past give me happiness and pain  
Life is fleeting like a flower  
From a distance, after sorrow  
I pray the lord to keep your soul  
I don't wanna cry no more  
We're still missing you

Life's like walking  
On a high wire  
You slipped away  
I've seen you dying in vain  
High as mountains seem  
All the problems that I have  
But when I hear your voice  
Far away out of the dark  
You just go on and on in the back of my mind

I don't wanna cry no more  
Past give me happiness and pain  
Life is fleeting like a flower  
From a distance, after sorrow  
I pray the lord to keep your soul  
I don't wanna cry no more  
We're still missing you

Skin and bone won't touch the sky  
I hope you'll find passage out of the dark  
To the other side of the sea  
And I know that I'll see you again

I don't wanna cry no more  
Past give me happiness and pain  
Life is fleeting like a flower  
From a distance, after sorrow  
I pray the lord to keep your soul  
I don't wanna cry no more  
We're still missing you
