

I Live for Your Pain

Helloween

Unchain your obscenity
Desirable enemy
Await my enlightening
Allow what your fate can bring

Now you're caught inside my cage
You are the object of my rage
Sin, I wash you clean again
I'm your redeemer

'Cause I, I live for your pain
I live for your pain
I'm dying

My victim you are meant to be
No, you cannot hide nor flee
You know what I'm looking for
Pleasure your torture, I will endure

Now you're caught inside my cage
You are the object of my rage
Sin, I wash you clean again
I'm your redeemer

'Cause I, I live for your pain
I live for your pain
I'm dying

I, I'll burn in your flame
I live for your pain
I'm dying, I'm dying
I burn

Now you rust inside my cage
You, the object of my rage
Blood, I wash you clean again

I'm your redeemer
Be my believer

'Cause I, I live for your pain
I live for your pain
I'm dying

I, I burn in you're flames
I live for your pain
I'm dying, I'm dying
I'm dying, I burn
