

I Stole Your Love

Halloween

Alright

I remember the day that we met
I needed someone you needed someone too, yeah
Spent time taking all you could get
Even yourself was one thing you never could do, oh yeah

You played with my heart
You played with my head
I've got to laugh when I think
All the things you said

'Cause I stole your love
Stole your love
Ain't never gonna let you go

I stole your love
Stole your love
I stole your love

You never stop running around
You pick me up and say you want some of me down
You were the girl that nobody could own
You stay for a while and then you would leave me alone

But I'm something different
Ain't like the rest
How does it feel
To find out your failing your test?

'Cause I stole your love
Stole your love
Ain't never gonna let you go

I stole your love
Stole your love
I stole your love

Listen, I stole your love
Stole your love
Ain't never gonna let you go

I stole your love
Stole your love
I stole your love

I stole your love
Stole your love
I stole your love

I stole your love
Stole your love
I stole your love, come on
I stole your love
