

## Listen to the Flies

Halloween

Why do you run, answer me  
Who do you follow, talk to me  
What is the hidden, that I cannot see  
What is the prize, you try to hide from me

I see you dying and I listen  
(Listen)  
And I listen  
(Listen)  
Listen to the flies  
Listen to the flies

Who is the idol you obey  
Give me a reason, you're afraid of me  
You'd never been punished or never had pride  
I see you circle round and round the site

I see you dying  
I see you dying

And I listen to the flies  
And I listen to the flies  
And I listen to the flies  
And I listen to the flies

Why do you run, answer me  
Who do you follow, talk to me  
What is the hidden, that I cannot see  
What is the prize, you try to hide from me

I see you dying  
I see you dying

And I listen to the flies  
And I listen to the flies

And I listen to the flies  
And I listen to the flies  
And I listen to the flies  
And I listen to the flies
