## **Power**

## Helloween

Can you imagine someone being true Turn `round and put himself in front of you Sometimes it's fun but then you never know How far a thing like this might go

All my life I've waited for a chance To get right out of here And when I had it in my hands I could not let it go

We've got the power, we are divine We have the guts to follow the sign Extracting tension from sources unknown We are the ones to cover the throne

Try if you can to come where we have gone You may achieve what can't be simply done Look back and there you are where we have been And still there's so much inbetween

All those years I've travelled `round this world Now I am standing here
To make you sing these tunes
And know they'll never let you go

We've got the power, we are divine We have the guts to follow the sign Extracting tension from sources unknown We are the ones to cover the throne

We've got the power, we are divine We have the guts to follow the sign Extracting tension from sources unknown We are the ones to cover the throne

We've got the power, we are divine
