

# Steel Tormentor

Helloween

Headless  
Pullin' the machine down  
Comin' to the low sound  
Feelin' like a real man, yeah

Racin'  
Flashin' from down under  
Flesh and blood and thunder  
Tremblin' wheel in cold hand, yeah

Faster, much faster, ohh  
What a human speed disaster!  
Deeper, much deeper  
On to the void I cast'er

I'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machine

Turkey  
Near to devastation  
Losin' all my patience  
Cannot make this kit fly, yeah

Danger  
Muscular contraction  
Out for satisfaction  
Solid intoxication, yeah

Nightride, it's nightride now  
Try to catch my tail lights  
So sad, I'm so sad  
But you won't ever suck my steel bride

I'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machine

I'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machine

I'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machine

I'm a  
Whao

I'm a steel tormentor
