

The Invisible Man

Halloween

I am the one who wants to show...you a secret of your cheating world

Wherever I will go - no one can see me 'cause I'm the invisible man

I'm a creature with one goal: rise up to heaven when the time has come

I have no body but a soul... Gods law is written on my way, forever

Time by time I think it's over

The malediction I have got when the world was young

I've been captured in the name of God to save people, but who cares?

Since a thousand years until the holy land will come

Here I am the invisible man

A lost fallen angel helping mankind where I can

My memories are there to save your world

For you I'm the invisible man

There's the destiny you don't know

I'm a guardian angel and wherever you'll go

You fight through your life not alone

You can't hear me, nor see me but trust the holy flow

Here I am the invisible man

A lost fallen angel helping mankind where I can

My memories are there to save your world

For you I'm the invisible man...
