

Walking Death

Hellshock

Feed on life swallow death
What's it take to satisfy
Hedonistic pseudo fuck
Still you drain bleed us dry

Pleasure pain you won't resist
Take a subtle knife and slit your wrist
Veins and blood there's no drop
Useless heart has yet to pump

Russian roulette fun and games
Living dead tasting life
Silver tongue silver spoon
Choking off breathing lies

Pleasure pain you won't resist
Take a subtle knife and slit your wrist
Veins and blood there's no drop
Useless heart has yet to pump

Walking Death

Shallow thought idle mind
Sew your mouth shut
Save us rhetoric
Is it life?
Walking death
Are you breathing?
Walking death
