

Feast or Famine

Hellyeah

have you like bone the blame
you start it in the sticking away
condition to keep warning raw
can you d___ him out and the gist the blame
you g_____ man so grinding the bay
come in here in to found our source

you can head anymore but you won seal of my left
feast of famer
we shoot up the star
we don't get the better
like corms turning stars
head is on handle
we lost in the dark
so making him the better
when we are guitar on ward

looking my live this is gill so rage
you f___ seem can state to taste
so hard love to a cove
sold you soul for the magic piece
bul a little bit of crown it jest groove adjust
like sell of him the star
you god Yosh if the gall of the you sting'oll math

feast or famer
we shoot up the star
we don't get the better
like corms turning stars
head is on handle
we lost in the dark
so making him the better
when we are guitar on ward

that you wall of day
warning what that is wont be kick
glad in me you out of day
we want it all we won everything
(solo)
you can head anymore but you won seal of my left
feast of famer
we shoot up the star
we don't get the better
like corms turning stars
head is on handle
we lost in the dark
so making him the better
when we are guitar on ward
