

# Stampede

Hellyeah

From the very beginning  
Knew I had something in me  
Vision worthy of listening  
They said sit down boy  
And they laughed at me

Never gave me attention  
That became my dissension  
Right there made the decision  
You're on your own boy  
So I became a man

You'll never understand  
What you've created

Stampede, running over me  
Death angels riding  
It feels like I'm dying  
Stampede, that's crushing me  
My temperature's rising  
The demons inside me

Tear away all conviction  
Beat him into submission  
Threatening my existence  
And abuse the boy  
I'm numb to violence

Buried deep, buried under  
Like a nail-beating hammer  
I'm the storm, I'm the thunder  
I'm the lighting boy  
No more striking me

I am the butcher  
I've come to slaughter

Stampede, running over me  
Death angels riding  
It feels like I'm dying  
Stampede, that's crushing me  
My temperature's rising  
The demons inside me

I am the wind  
I am the rain  
I am the flood  
I am what you've created  
And you've gone too far

Stampede, running over me  
Death angels riding  
It feels like I'm dying  
Stampede, that's crushing me  
My temperature's rising  
The demons inside me
